See page 2 for program guidelines. Rebate is \$0.50 per sq. ft. converted area, up to \$3,000.

Application Check List:

- Did you measure only the lawn area to be converted?
- Are you converting a minimum of 250 square feet of irrigated lawn?
- Did you include pictures of front lawn or area visible to the sidewalk?
- Did you include a drawn aerial view of your proposed project, including measurements to explain the total area of lawn to be converted?
- Did you include your itemized plant list?
- What is the best time to reach you M-F between 8:00 am – 3:30 pm?

To qualify for a rebate:

- Be a water customer of the City of Pleasanton
- Water account must be in good standing.
- Convert a minimum of 250 square feet of sidewalk visible lawn.
- The area to be converted is currently irrigated and irrigation system is in good working condition.
- Plants purchased are on the Zone 7 Qualified Plant List. Or receive approval by the Water Conservation Coordinator. Must include sufficient number of plants to ensure at least 50% coverage when fully grown.
- Installation must be complete within 120 days of notice to proceed.
- Provide a copy of your purchase receipts, an itemized list of plants, and completed signed and dated application.
- Conversion must remain installed for a minimum of two (2) years.

Funding is limited. Rebates are one-time-only per site, and will be provided on a first-come, first served basis. Applications and receipts must be postmarked, emailed, or faxed within 60 days of purchase (electronic submittal preferred).

Here are the steps:

1) Print and complete the Water Efficient Landscape Program rebate application available at www.pleasantonwaterconservation.com.

2) Submit a sidewalk visible site plan and current pictures of the site to be converted, complete the application checklist, and submit the plant list (refer to the "Zone 7 Qualifying Plant List") using these options: a) scan and email to rdicandia@ci.ca.pleasanton.us, b) fax to 925-931-5595, or c) mail to Water Conservation Division, P.O. Box 520, Pleasanton, CA 94566.

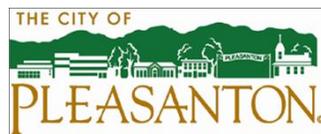

The credit or the rebate check will be payable to the water customer of record (the name of the business/HOA on the water bill).

By submitting this application, you agree to the following:

I, the undersigned, understand that this is a limited, first-come/first-served, one-time program, that rebates are given only for projects for which applications are approved in advance of installation, and that City of Pleasanton is entitled to deny any application that does not meet program requirements. I have voluntarily determined to participate in the City of Pleasanton's Water Efficient Landscape Program. I have independently selected materials, supplies and labor for the purpose of performing the installation. I agree that all work performed will comply with applicable state and local laws, ordinances and regulations. I agree that the City of Pleasanton may visit the premises and verify existing conditions and that the work has been performed. By virtue of these inspections, I understand that the City of Pleasanton makes no determination with respect to whether materials and equipment are free of defects, the quality of the workmanship, or the suitability of the premises or the materials or equipment for the installation. I also understand that the installation of irrigation equipment and landscape materials may not result in lower water bills. If this Application is approved by the City of Pleasanton and the work proceeds, I agree to defend, indemnify and hold harmless the City of Pleasanton, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys' fees, arising out of or resulting from the installation of irrigation equipment and landscape materials. I agree to a pre- and/or post-installation inspection, upon request.

By typing your signature electronically you have read, understand, and agree to the terms of this rebate program. This program is based on the availability of funds and may be discontinued at any time. The City of Pleasanton reserves the right to deny any application that does not meet all of the requirements outlined above. The installation and use of any of these devices does not guarantee water savings or a decrease in the amount of your utility bill. Applicants are solely responsible for installation and for any property damage that may occur.
