CITY OF PLEASANTON RECOGNIZES BUSINESS ANNIVERSARIES

153 Businesses Recognized for Longstanding Service

Pleasanton, CA— The Pleasanton City Council recognized local companies for achieving 15, 20, 25, 30 and 40 years of business in Pleasanton at a presentation at the City Council meeting on Tuesday, December 15, 2015. The Council presented each of the businesses with a special gift to commemorate its tenure in Pleasanton.

“Pleasanton’s quality of life is closely tied to the economic vitality of our business community, and we are honored to publicly recognize these businesses’ milestones,” noted Economic Development Director Pamela Ott. “The companies represent a continuum from small, sole proprietors providing everyday services to medium sized firms making advancements in their industry to national retailers. That diversity is what makes Pleasanton’s business community as strong as it is. They have provided jobs, services and products valued by our residents and other businesses. From pretzels to pools and everything in between, we want to recognize and appreciate these businesses for their commitment to Pleasanton.”

Small businesses make a huge contribution to the U.S. economy and, according to the Small Business Administration, have generated over 65% of the net new jobs since 1995. More than 50% of the working population in our country (120 million individuals) works in a small business.

The list of businesses is included below. For more information about the Business Anniversary Program and Pleasanton’s business community, please contact the City of Pleasanton Economic Development Department at (925) 931-5040.
