TENNIS COURTS TEMPORARILY ON HOLD IN PLEASANTON

Decision Made for Additional Meeting to Hear from Area Residents

PLEASANTON, *Calif.* — The City of Pleasanton has decided to temporarily hold off on the construction of two new tennis courts in order to hear from area residents at a subsequent meeting to be scheduled.

The Tennis and Community Park, with 10 tennis courts currently, was originally master planned in 1985 to include 12 tennis courts, and in 2012, the Parks and Recreation Master Plan Steering Committee began to work with City staff to develop the current Master Plan, which included the design for the final phase of the two additional courts. Three community workshops were held, a telephone survey was conducted, as well as a survey of the community's nonprofit organizations. In 2014, the completed Master Plan was adopted, and on June 21, 2016, the City Council voted to approve the contract and award \$494,353 for the construction and landscaping of two tennis courts. Any changes to the current Master Plan will need to be considered by the City Council.
