GARDEN BY NUMBER

EASY AS 1-2-3!

MORE COLOR, LESS WATER.

Transform your yard with the new Garden by Number Rebate Program. It's simple, cost-effective and environmentally friendly.

STEPS TO MAKE YOUR TRANSFORMATION:

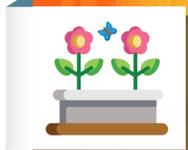

1. COMPLETE APPLICATION

2. CHOOSE A PRE-PACKAGED GARDEN KIT.

3. PLANT YOUR GARDEN USING THE INSTRUCTION GUIDE.

4. SIT BACK AND ENJOY YOUR BEAUTIFUL GARDEN.

AVAILABLE PRE-PACKAGED GARDEN KIT OPTIONS:

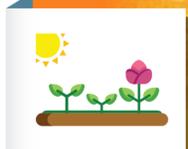

POLLINATOR GARDEN

Bring the birds and the butterflies to your garden by converting part of your lawn to a pollinator oasis.

YEAR-ROUND COLOR GARDEN FOR SHADE

Add eye-catching color to the shade of a tree or building.

YEAR-ROUND COLOR GARDEN FOR SUN

Brighten your yard year-round with evergreen foliage form and long-blooming perennials and shrubs.

SUCCULENT GARDEN

Be sharp and fabulous without the thorns with long-season blooms from succulent-type plants.

Kit costs \$205-\$220. Covers 100 square feet. The nurseries are offering a 20% discount towards the purchase of additional supplies (mulch, cardboard, compost, more).

ALL KITS INCLUDE:

- Plant by number design
- Pre-selected plants based on the garden selection
- Plant layout graph
- Planting and maintenance instructions

Order your garden today! Pre-orders and deposits are required.

To submit an interest card visit www.trivalleywaterwise.com, under events. For conservation rebate programs, visit www.zone7water.com/conservation-rebates/rebate-programs. You can also apply for this program beginning March 1, 2020, directly by downloading the application and email your application to rebates@zone7water.com.

The Garden by Number Rebate Program is a collaboration between Zone 7, City of Pleasanton, City of Livermore, Dublin San Ramon Services District, VVM Designs, Alden Lane and Western Garden Nursery.
