Staging Area Restroom Locations

- Near parade check-in at Amador Valley High School
- In the theater parking lot at Amador Valley High School
- On the corner of Main and Del Valle Parkway (near the bridge)

Parade Route

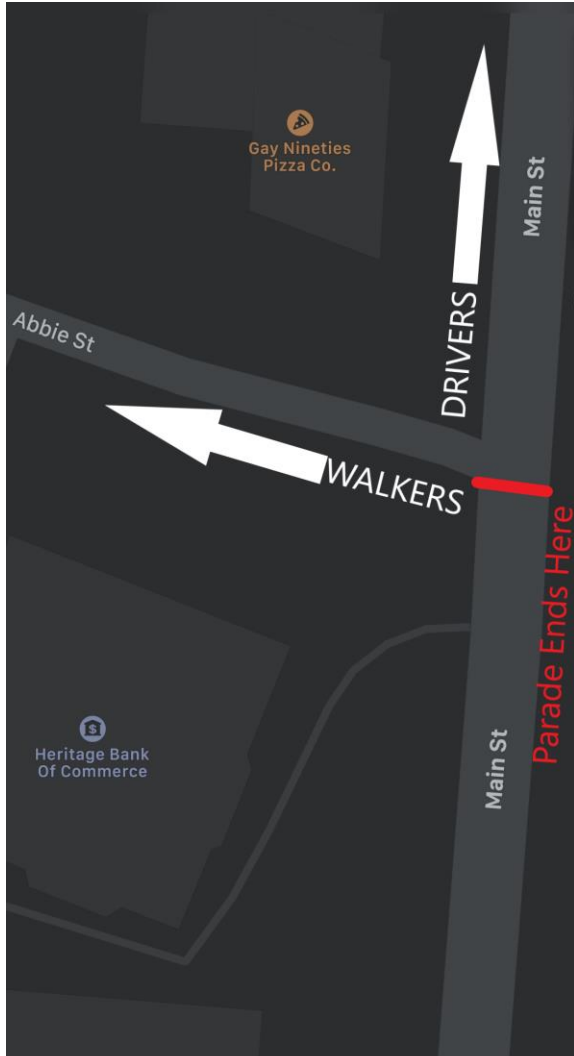

This is a forward-moving parade to eliminate lapses between entries, stopping and reversing direction along the parade route is not permitted. Maintain the spacing you are assigned at parade step-off. Do not slow down, speed up, or stop along the parade route.

Distribution of Materials

The parade prohibits distribution of anything on the parade route for safety and insurance liability.

Disband

The parade has a designated disband area at the end of the parade route. Please move your group off Main Street as quickly and safely as possible. Participants who are walking disband left off Main Street onto Abbie Street. Drivers disband at the very end of Main Street.

- **Walkers** – For the safety of all involved, move your group off the street as soon as you exit Main Street. Participants mustn't enter the road again. Use the sidewalks. For entries with both walkers and floats, have walkers disband to the left on Abbie Street, and floats continue down Main Street to disband. For entries with children, designate an area outside the disband area for children to be picked up. Remember to assign an adult to chaperone any children in your entry until they are picked up. It is recommended larger groups use Lions Wayside Park and Delucchi Park to wait for participants to be picked up.
- **Drivers** – Drive your vehicle to the designated area at the very end of Main Street. Pull all the way forward. Pull to the street curb. Have participants disband on the sidewalk side of the street. Participants should not enter the road in the disband area. Remember, the vehicles following you in the parade will also drive through the disband area. Participants must stay on the sidewalk. Have participants exit vehicles/floats and quickly make your vehicle California street legal before leaving the disband area and continuing to Bernal Avenue.
