Everybody knows the weather is unpredictable, but experts are forecasting rainfall of up to 300% of the average precipitation as a result of El Niño.

Here's a checklist to help you prepare:

Create a list of key contacts

Create a family emergency plan, including:

- Evacuation Plan
- Safe spot to meet family members
- Emergency kit-water, food, first aid, flashlight

Make sure your prepared to weather the storm by:

- Repairing roof damage and any leaks
- Cleaning gutters and drains before rain
- Removing tree limbs as needed
- Clearing nearby storm drains of debris

Fill up on sandbags at the following locations:

- 3333 Busch Road (OSC)
- 5353 Sunol Blvd. (Senior Center)
- 5800 Parkside Dr. (Sports Park)

*FREE for residents, but bring your own shovel
