

MANDATORY RECYCLING ORDINANCE INFORMATIONAL EVENT

FOR

PLEASANTON BUSINESSES

Phase 2 of the **Mandatory Recycling Ordinance** began in Pleasanton on January 1, 2017 and now requires ALL businesses and institutions (regardless of garbage service volume) to:

1. Provide recycling service. Additionally, businesses that generate significant quantities of food scraps/organics **must provide organics collection service.**
2. Ensure recyclables are properly separated and no longer disposed of in the garbage. For businesses that generate significant quantities of organics, **food scraps/organics must also be kept separate from the garbage.**
