

# CONSTRUCTION NOTICE

---

To our Adjacent Neighbors,

This notification is to make you aware that the Livermore Pleasanton Fire Department Station 3, located at 3200 Santa Rita Road, is being replaced with an new modern facility. Demolition of the existing building, which has been in service since 1969, is scheduled to begin Wednesday February 10, 2021. Construction of the new station will begin immediately thereafter, and will take approximately nine months to complete. Firefighters assigned to station 3 will be serving the area out of a nearby temporary facility located at the intersection of Stoneridge Drive and Rheem Street.

All construction activities will occur in accordance with the City of Pleasanton codes and regulations. We will do our best to limit the amount of noise, disruption, and other inconveniences that can be caused by construction.

You are receiving this notice because your home or business is within 1,000 feet of the building site. If you have any concerns, please reach out to our office at (510) 639-1914 (Marcon) or the City Engineer, Steve Kirkpatrick at (925) 931-5676.
